Protect the Vote

Poor administration, limited resources, intimidation, manipulation and a lack of voter education have deprived thousands of people of their voting rights in recent years. Help make sure it doesn't happen again.

Volunteer to Help Protect the Vote

Voting rights volunteers are the real front line for justice on Election Day. They have the power to make sure elections are carried out fairly. By volunteering, you can help ensure that every eligible person has the opportunity to vote—and that every vote is counted.
