

## AN IMPORTANT MESSAGE FROM THE AFL-CIO

**LARRY KISSELL** knows firsthand the issues working families face. Now a high school teacher, Larry Kissell will work as your congressman to find "solutions that will create more jobs, provide access to better health care" and "stop these bad trade deals that are ruining North Carolina's economy." (*The Charlotte Observer*, 3/23/06)

**Will Preserve Our Jobs.** Larry Kissell is opposed to bad trade deals like CAFTA that are "a slap in the face" to workers. "As a 27-year textile veteran that's seen the layoffs and plant closings, I've been there and my heart goes out to the families affected," he says. "NAFTA plus CAFTA equals SHAFTA." (*The Charlotte Observer*, 4/12/06; Kissell press release, 7/13/06)

**Will Invest in Our Children's Education.** Larry Kissell will ensure that the No Child Left Behind Act is adequately funded. "As an educator...you want every child to succeed, but the devil is in the 'underfunded' details." ([www.larrykissell.com](http://www.larrykissell.com); *The Charlotte Observer*, 9/4/06)

**Will Advocate for Our Health Care.** Larry Kissell will work to fix the flawed Medicare prescription drug bill. "The truth is that the new Medicare Part D prescription drug program is a golden parachute for drug companies and HMOs," he says. He will find solutions to provide affordable health care to working families. (Kissell press release, 5/11/06; *The Charlotte Observer*, 3/23/06)
