## Thelma Drake Has Ignored the Needs of Working Families

Thelma Drake voted against increasing the minimum wage four times this year alone. After promising voters not to spend Social Security funds, she voted to raid the Social Security Trust Fund of more than \$1.1 trillion over the next five years. Drake voted to cut funding for No Child Left Behind by \$806 million and to cut \$41.6 billion from Medicare, Medicaid, federal student loans and farm programs. She also voted to ship good American jobs overseas with CAFTA, another unfair trade agreement.
