<b>Leisure and hospitality</b>	5.1	4.7	4.7	4.6	4.5
<b>Other services, except public administration</b>	3.4	3.2	3.2	2.9	3.1

Note: Beginning with the 2003 reference year, both CFOI and the Survey of Occupational Injuries and Illnesses began using the 2002 North American Industry Classification System (NAICS) for industries. Prior to 2003, the surveys used the Standard Industrial Classification (SIC) system. The substantial differences between these systems result in breaks in series for industry data.
